Dear [REDACTED],

Hope you are both well, and the arrangements for Friday are all going smoothly.

Just to let you know that Jeff James has now approved his quote for the press release; please find this attached. Jeff wanted to see his quote in relation to the rest of the press release, so I have pasted it into v.4 of the draft that you provided last week, and renamed it as v.5. Hope this is ok?

I'm planning to get to The Hold around 10.30 on Friday, and will hover in 'the street' to meet any early arrivals. I look forward to seeing you then. If there are any last minute issues, you can get hold of me on [REDACTED].

Best wishes,

[REDACTED]

Hi [REDACTED]

As promised here is a draft version of a press release for the visit next Friday. This still needs to be signed off by our Council representative.

Thanks

Dear [REDACTED],

I hope you are well. I am getting in touch regarding the press release following Jeff James' visit to The Hold next week, which we discussed at our meeting a few weeks' ago. I have checked with TNA's media team, and they wouldn't typically provide a quote without seeing the press release first, so that they can ensure that the quote fits the wider context.

How feasible would it be to get a draft copy of the press release that I can share with colleagues here? Would SCC's media team typically prepare a release this far in advance, or is it likely to be much closer to the event?

Many thanks,
