Thanks - sure they'll give way while he's a minister...

Subject: Latest on Treasury note

Message Sent From Mobile Device

Chased at meeting on Friday when [REDACTED] asked for an update from [REDACTED]. Treasury (via their Permanent Secretary, Sir Nicholas MacPherson) have asked Cabinet Office for David Laws to return the note in question. David Laws has responded requesting that he be able to keep the note for as long as he is in office. Treasury are considering this request presently.
