Apologies [REDACTED] I just realised that the email did not really explain what the record was about and why we want it to be preserved. I attach the following link which should explain.

<http://www.itv.com/news/west/update/2013-06-24/exclusive-video-of-infamous-treasury-memo/>

It was in the national news a year ago and in 2010.

Hi [REDACTED]

I hope you are well.

It is a year since TNA enquired to HMT about the above public record and the chance of having it transferred to TNA for preservation. I think there was some discussion between Treasury staff (not in writing) that HMT did not wish for it to be transferred due to the timing of the general election in 2015 which at that time was some two years off. As you know, public records can be transferred as closed upon transfer to TNA and so it did not seem to be a convincing argument to us. That said, I would like to know the following if possible.

Has HMT received the original record back from David Laws?  
If not, can HMT pursue this with him again?  
Has a formal decision been made on its disposal by HMT; i.e. transfer to TNA?  
Can TNA have confirmation of this decision in writing?

I look forward to your response. Thanks.

Regards

Hi,

I am still waiting for it to be returned. I have chased CO. The Treasury view this as a record to be preserved by HMT.

Hi [REDACTED]

Oliver Morley is eager to have this record transferred to the National Archives for preservation as soon as you can secure it from David Laws. Management have asked me to check up on any Treasury progress in locating it for this purpose. Do you have any further news on this issue?
