Hi Accessions

Please complete the Accessions process for DPP2(11105-12373) and make Doris ready. The edit set has been loaded into PROCAT.

The material is located in 5C 884, 897 and 1221. The target release date is 15/02/2019.

I have also attached a list of the closed descriptions to be held by the Cataloguing team until such time as the closures are lifted.

After our inspection we requested that Iron Mountain make the following preparation amendments, please can you ensure they have been applied?

Preparation

11256: Please tag in loose sheet near the back of the file.

11371: Please split the file into 2 items as it is very unwieldy.

11417: Please add a closed until sticker for 2087 on the front of the file.

11453: Please place the newspaper cutting next to the document dated 13/11/1990 in a polyester enclosure.

11496, 11506, 11507: Please endorse the contents of the polyester enclosures on the file with the TNA reference not the former reference.

Many thanks

Hi [REDACTED]

It would be good to talk this one over.

I agree most of your points, except:

I am unsure about your points 4b, 6c, 11, 13, 14, 15b, 17, 22c, 24, 28, 31, 33a, 33c, 34b, 37

On other points:

10a) I think the Act is 1983 not 1989

18 – I agree should be removed (they remained convicted in 2017)

I would leave Judicial Review with capitals

30 – do not add a stop after Dr

31 and 34b – there may be appeal but presumably it is not mentioned because it was unsuccessful

My points

Information out of Scope

Please get [REDACTED] to amend SAR to Closed/Open.

NOTES –

Remove colour / black and white / a etc (eg With photograph, not with a photograph)
