From the Private Secretary

4 June 1999

Dear Andrew,

VISIT TO THE CAYMAN ISLANDS

As you know, Cherie Booth will visit the Cayman Islands from 26 to 30 June. She will be there in her professional capacity. She will stay in a hotel. There is no need for you or the Governor to make any special arrangements. You should, however, be aware of her presence in case there is press interest.

I am copying this letter by fax to John Owen (Cayman Islands).

Yours ever,

Philip
